ABOUT ME

I am a Ugandan by nationality, standing on 178cm and weighing 70kgs. I have a farm composed of 30 pigs and 10 goats and 5 acres of crop plantation that is mainly for home and farm consumption. My family works in the community market where they sell farm products like milk, butter, cheese and meat that come from the family farm and village community. I have grown through hands of hardworking people and developed a similar passion and objective to expand our small scale farm and compete on an international market.
