● ABOUT ME

My name is KAWUKI ABUBAKER, 29years old, standing 174cm tall and weight of 59kg. We own a farm composed of cattle, pigs and crops like maize, beans and Irish potatoes. I spent many hours working on the farm and learning about the various techniques and practices involved mainly in animal rearing, this passion has grown more and I am excited to continue learning and growing in this field and look forward to connecting with like-minded individuals. I believe Denmark is the right place to help me reach my sought after goals.
