● ABOUT ME

My name is Ayenyo Ritah Gladys, 28 years old with a height of 167cm and weight of 61kg. I am born to Mr. Esoni Denis and Ms. Ebessu Agatha Ariekot residents of Kaberamaido village Soroti District Uganda. My parents own a farm composed of pigs, dairy cattle, goats and poultry birds. I was born and raised on this family farm where I perform different roles on a day to day basis accordingly. I feed piglets and look after calves, clean the hen houses, pick eggs and participate in the immunization of both the animals and birds. We have a couple of milking cows and fattening pigs for pork production as a major source of income for our home. I am a positive, flexible and adaptive young woman looking forward to a Denmark internship program as this will enable me to come back and use both skills and knowledge to improve on the family farm.
